

## (2) Melalui Scopus

- Click <http://www.scopus.com>

The screenshot shows the Scopus website interface. At the top left is the Scopus logo. The navigation menu includes 'Search', 'Sources', 'Alerts', 'Lists', 'Help', 'Register', and 'Login'. A callout box points to the 'Sources' link with the text: 'Click 'Sources' untuk melihat list Jurnal yang ada di Scopus'. Below the navigation is a dark blue header with 'Document search' and a 'Compare sources' link. The main content area has tabs for 'Documents', 'Authors', 'Affiliations', and 'Advanced'. The search bar contains the text 'Search' and a dropdown menu set to 'Article title, Abstract, Keywords'. Below the search bar is a placeholder text: 'E.g., "heart attack" AND stress'. At the bottom right of the search area are 'Reset form' and 'Search' buttons.

## Introducing CiteScore metrics for serials

We are proud to introduce CiteScore metrics from Scopus – comprehensive, current and free metrics for serial titles in Scopus. Search or browse below to find a source and see the new metrics. Use the annual metrics for reporting, and the 2016 metrics for up-to-date tracking.

Be sure to use qualitative as well as the below quantitative inputs when presenting your research impact, and always use more than one metric for the quantitative part.

Acupuncture in Medicine is a bi-monthly scientific and clinical journal aimed at Western-trained physicians and other health professionals, and uses the prevailing understanding of neurophysiology and anatomy to interpret the effects of acupuncture. The Journal largely restricts its published articles to this Western approach. Clinical reports of the effects of traditional acupuncture will be considered, and theoretical aspects that are evidence-based.
